

TRANSITION FREESTANDING ACCESSORY TABLE

44400023740

- The recommended maximum weight loaded on towel rail for 44400023740 is 4.0kgs.
- Care should be taken to ensure all screws are firmly fixed to evenly distribute the load. Not doing so could result in undue stress on the product with the possibility of failure and risk to the end user.

- Use a damp cloth and mild detergent for cleaning this table. Chemical or abrasive cleaners could damage the surfaces, so we recommend that you read the instructions for any cleaners before use.
- To ensure that the table remains strong and stable we advise that you periodically check that the fixings are all tight.
- Regularly check the tightness of screws to ensure that they do not become loose.
- Clean using a mild detergent and a damp cloth. Do not use abrasive or strong chemical cleaners.
